1 Introduction

1. ComReg received a request from an interested party seeking access to the non-confidential versions of the Next Generation Access ('**NGA**') Margin Squeeze Model associated with ComReg Decision D03/13¹ and the net revenue test ('**NRT**') model associated with ComReg Decision D04/13².
2. ComReg requested Eircom to assess the models for confidentiality, in line with ComReg's guidelines on the treatment of confidential information as set out in ComReg Document No 05/24³. Confidential data in the models has been replaced by random values.
3. The non-confidential versions of the NGA Margin Squeeze Model and the NRT Model are now available on request to ComReg, to those interested parties that are likely to be affected by ComReg Decision D03/13 and ComReg Decision D04/13.
4. For access to the non-confidential versions of the NGA Margin Squeeze Model and / or the NRT Model, please send an email to Caroline Jordan and Karl Hurley at the email addresses below.
