1. The Commission for Communications Regulation ('ComReg') is granting a further extension to the response date to Consultation Document No. 17/26 on "Pricing of wholesale services in the Wholesale Local Access (WLA) market and in the Wholesale Central Access (WCA) markets: Further specification of price control obligations in Market 3a (WLA) and Market 3b (WCA)" (the "WLA/WCA Pricing Paper").
2. Separately, today ComReg published the consultation on the price control obligations relating to bundles, ComReg Document No. 17/51 (the "Bundles Pricing Paper"). The later response date to the WLA/WCA Pricing Paper will allow respondents to consider, as appropriate, the contents of Bundles Pricing Paper before responding to the WLA/WCA Pricing Paper.
3. As set out in the Bundles Pricing Paper respondents can also provide further views regarding the pricing proposals set out in the WLA/WCA Market Review (ComReg Document No. 16/96) and the WLA/WCA Pricing Paper in their response to the Bundles Pricing Paper.

The deadline for response to the WLA/WCA Pricing Paper is now **5pm on 26 June 2017**. Please address any correspondence to [wholesaleconsult@comreg.ie](mailto:wholesaleconsult@comreg.ie)
