Communications Regulation

Section 44 notice

Eircom Ltd

Information Notice

Reference: ComReg 15/108

Version: Final

Date: 01/10/2015

Eircom Ltd (“Eir”) has paid ComReg €1,500 following an investigation by ComReg into the promotion, content and operation of its premium rate services (“PRS”).

ComReg believes that Eir operated PRS on the 1530 277 100 premium rate number without holding the relevant licence and has therefore committed an offence contrary to Section 12 of the Communications Regulation (Premium Rate Services and Electronic Communications Infrastructure) Act, 2010.

The payment of €1,500 to ComReg has been made under Section 44 of the Communications Regulation Acts 2002 to 2011 (“Act of 2002”) and will in turn be passed on to the Exchequer by ComReg¹. As well as making this payment to ComReg, Eir has conducted an internal audit of its PRS for the purposes of ensuring that it holds the relevant PRS licences for its PRS. Eir has also agreed to refund any end user connected to this non-compliance.

¹ In accordance with Section 44(4) of the Act of 2002
