## 1 Eircom Appeal of ComReg Line Share Price Change

On 27 June 2008, ComReg published Decision No. D3/08 revoking a previous pricing decision from 2001 and also directing Eircom to reduce the current published Line Share Recurring Charge from €8.41 to no more than a maximum of €2.94 for up to one calendar year from the effective date of that Decision.

The Decision was appealed by Eircom on 23 July 2008. The proceedings between Eircom and ComReg in this matter have been entered into the Commercial List of the High Court and have been set down for hearing on 16 December 2008.

As no stay has been sought on the decision to date, ComReg's Decision in its entirety is in force as of Friday 25 July 2008.
