<b>Document No:</b>	<b>10/09</b>
<b>Date:</b>	<b>5 February, 2010</b>

**Meeting of authorised operators who provide access to premium rate services**

The Commission for Communications Regulation ('ComReg') has been made aware of a problem encountered by an authorised operator providing access to premium rate services.

In order to discuss the problem, to determine how significant it may be and to identify possible remedies, all authorised operators involved in the provision of access to premium rate services are invited to a meeting to be arranged by ComReg. Authorised operators who wish to attend must inform ComReg in writing by 5pm on 12 February 2010, using the contact details set out below:
