1 Release of 1800 MHz spectrum rights of use

- 1.1 Following consultation on its proposals in Annex 2 of Document 13/88¹, ComReg published an Information Memorandum (Document 13/104²) setting out the processes and procedures it had developed for the award of three Lots of liberalised spectrum rights of use in the 1800 MHz spectrum band.
- 1.2 These processes and procedures implement ComReg's Decision 14/13 as detailed in Document 13/102³.
- 1.3 In accordance with (i) the Questions and Answers procedures set out in section 3.3.1 of Document 13/104 and (ii) paragraph 4.24 of Document 13/104 relating to errors, omissions and lack of clarity in the Information Memorandum, ComReg has granted the opportunity for interested parties to submit Questions or seek clarity on the 1800 MHz release.
- 1.4 ComReg did not receive any questions or notification of errors, omissions or lack of clarity from interested parties within the stipulated timeframe.
- 1.5 ComReg has published alongside this Information Notice an editable pdf version of the Application Form for use by interested parties (ComReg 13/104A)⁴.
