1 Release of 1800 MHz spectrum rights of use

- 1.1 Following consultation on its proposals in Annex 2 of Document 13/88¹, ComReg published its Information Memorandum (Document 13/104²) setting out the processes and procedures it had developed for the proposed award of three Lots of liberalised spectrum rights of use in the 1800 MHz spectrum band.
- 1.2 These processes and procedures implement ComReg's Decision 14/13 as detailed in Document 13/102³.
- 1.3 ComReg did not receive any valid Applications to the Award Process by the deadline for submission of Application Forms. Therefore, all Lots remained unsold in the Award Process.
- 1.4 ComReg retains its discretion regarding how it might treat the unsold Lots however the unsold spectrum will not be allocated for a reasonable period, and, in any event, will not be allocated for a period of at least 1 year from the date of this announcement.
