1 Amendment to 03/55

The following text has been inserted into ComReg document 03/55 by way of amendment:

“Amendment to direction 5.1

In the context of the settlement of the judicial review proceedings between eircom Limited and the Commission for Communications Regulation bearing the title The High Court, 2003 No. 6822P, eircom Limited, Applicant v The Commission for Communications Regulation, Respondent, and without prejudice to the claims made by eircom Limited in the proceedings and to its position as to what is the appropriate level of LLU prices or to the Commission’s position and views on these matters, the Commission has on 26 September 2003, amended Direction 5.1 as contained in Decision Notice 12/03 by the insertion of the prices of €16.81 for Unbundled Local Metallic Path Full loop, €9.00 for Line Share Full loop, €15.25 for Unbundled Local Metallic Path Sub loop and €8.22 for Line Share Sub loop. These prices are set as final for the period to 31 March, 2004.”
