**Reporting Method**

(1) Eir will provide progress updates to ComReg in relation to the RurTel Transition Plan in line with the timeframes identified in Table 1 below.

**Table 1: Dates for progress updates**

<b>2023</b>	End of July, End of November
<b>2024</b>	End of March, or earlier if Transition Activites have been completed earlier
<b>After March 2024</b> <i>(in the event of delay to completion of the Transition Activities)</i>	End of March, End of July and End of November each year where relevant

(2) The updates should (i) outline progress made and (ii) identify any updates to the RurTel Transition Plan (e.g. for RurTel subscribers migrated, RurTel sites decommissioned, changes in the migration/decommissioning dates, changes in the Transition status of subscribers etc.)

(3) The updates should be provided via email to ComReg. Details of relevant contacts for the reporting in ComReg and Eir are set out in Table 2 below.

(4) ComReg and Eir will notify one another of any changes to the contacts set out in Table 2, as soon as appropriate.
