## **PRESS RELEASE**

*For Immediate Release*  
2<sup>nd</sup> July, 1999

### **NATIONAL NUMBERING DATA BASE - ALLOCATIONS ON-LINE**

A new online search facility that enables electronic viewing of allocations made from the National Numbering Scheme was launched by the Director of Telecommunications Regulation, Etain Doyle, today.

The facility allows web-site users to search for information on allocations and availability under the following criteria:

1. A National Destination Code (NDC) or Access Code;
2. A Specific Number;
3. A Specific Licensee;
4. A Specific Geographic Location, or
5. A Specific Service Designation.

The service will enable both operators and commercial interests to keep up to date with numbering allocations and to access information on the availability of numbers throughout the country for all service types.

On-line entry may be gained by accessing the ODTR web site at

<http://www.odtr.ie/html/press.html>, and entering the link associated with this press release.
