Notification to all Telecommunication Licence Holders

Eircom plc. has issued a Plenary Summons under the European Communities (Interconnection in Telecommunications) Regulations 1998¹ against the Director of Telecommunications Regulation in respect of Decision Notice D12/99 “Telecom Eireann’s Reference Interconnect Offer” (ODTR 99/54).

The effect of the initiation of these proceedings is to suspend the operation of the Decision Notice in its entirety. This has serious implications for the market and the Director of Telecommunications Regulation will be responding very rapidly to the proceedings.
