**Application for a Licence under Section 111(2A) of the Postal and Telecommunications Services Act, 1983 (hereinafter called "(the Act") to provide Telecommunications Services for the public.**

1. The telecommunications services provided for the public under any licence granted by the Director of Telecommunications Regulation on foot of this application —
  - (a) shall be services involving the transmitting, receiving, collecting or delivering of telecommunications messages, other than those to which section 87(3) of the Act relates;
  - (b) shall not involve the provision of voice telephony, i.e. the commercial provision for the public of the direct transport and switching of speech in real time between public switched network termination points, enabling any user to use equipment connected to such a termination point in order to communicate with another termination point;
  - (c) shall not involve the conveyance of messages by telex, mobile radio telephony, paging or satellite services;
  - (d) shall utilise international telecommunications links provided by Bord Telecom Éireann under the exclusive privilege conveyed by section 87 of the Act for the conveying of telecommunications messages within the State;
  - (e) shall utilise international telecommunications links provided by Bord Telecom Éireann or other network operators licensed by the Director of Telecommunications Regulation for any international conveying of telecommunications messages to or from the State
  - (f) shall not involve connection to the Public Telecommunications Networks of any equipment which has not been type approved<sup>1</sup> by the Minister for Public Enterprise<sup>2</sup> or the Director of Telecommunications Regulation<sup>3</sup> for connection to the public telecommunications networks.

---

<sup>1</sup> Equipment approved in accordance with Council Directive 91/263/EEC stands approved without any further action.

<sup>2</sup> for the Minister for Public Enterprise read the Minister and her predecessors.

This application must be completed in type or block letters.

- (i) In the case of an **individual**, the application must be signed by the person in whose name the application is made.
- (ii) In the case of a **partnership**, the application must be signed by each of the partners.
- (iii) In the case of a **company or other body corporate**, the application must be signed by a director, company secretary or other authorised officer.
- (iv) In the case of a **co-operative or other body**, the application must be signed by the secretary of the co-operative or other body.

---

<sup>3</sup> The function of type approving telecommunications terminal equipment has been carried out by the Director since 30 June 1997.
