

Review of Eir's Regulatory Governance Model

Publication of responses to Call for
Input and next steps

Information Notice

Reference: ComReg 18/24

Version: Final

Date: 23/03/2018

The Commission for Communications Regulation (“ComReg”) conducted a review of Eircom Limited’s (trading as “eir”) regulatory governance arrangements including, but not limited to, eir’s Regulatory Governance Model (“RGM”). ComReg had appointed KPMG and Cartesian Limited (the “Advisors”) as independent advisors to assist ComReg with its review. On 13 July 2017 ComReg published a Call for Input¹ requesting industry views on the observations of its Advisors.

Responses received

Five responses were received from:

- ALTO
- BT Communications Ireland Limited
- Eircom Limited
- Sky Ireland Limited
- Vodafone Ireland Limited

Non-confidential versions of these responses have been published as ComReg Document No. 17/64c

ComReg, together with its Advisors, has been assessing these responses.

Next steps

ComReg has initiated a project to identify whether any regulatory measures would be appropriate, having regard to its objectives and functions, including those under the Access Regulations², in particular under Regulations 8 to 15. ComReg plans to consult on proposals in this regard in the second half of 2018.

¹ ComReg Document No. 17/64.

² European Communities (Electronic Communications Networks and Services) (Access) Regulations 2011 (S.I. No. 334 of 2011) (“the Access Regulations”).
