Options for Applicants

1. In accordance with the Wireless Telegraphy Act, 1926, the appropriate licence must be held to cover possession or use of radio equipment. Possession or use of radio equipment without a licence is an offence which renders the offender liable to prosecution and, on conviction, fines and confiscation of equipment.
2. This application form sets out the standard information that is required for a single Fixed Wireless Access Local Area (FWALA) licence. In certain cases, the Commission for Communications Regulation may seek further information or clarification from the applicant.
3. A FWALA licence allows the Licensee to offer telecommunications services by means of a local area fixed wireless access network in the defined FWALA service area. A separate FWALA application is required for each FWALA service area.
4. Applications for a FWALA licence must be submitted along with the appropriate fee to:

The Commission for Communications Regulation
Licensing Section (Ref: **FWALA** Licensing Scheme),
Abbey Court,
Irish Life Centre,
Lower Abbey Street,
Dublin 1.

5. To submit a valid application (new application or amendment) it is necessary:
 - To complete all sections of the form in line with the Revised Guidelines to Applicants for FWALA Licences, ComReg Document 06/17.
 - To submit the full licence fee with your application.

Application forms not adequately completed cannot be considered as valid applications and will be returned to the applicant.

6. If there is insufficient space available on the application form, please attach any additional information on a separate sheet(s), indicating the appropriate section and question.
7. Every effort will be made to process applications quickly so that operations can start at the earliest possible date. To facilitate speed of processing, please ensure that your application is legible i.e. typed or completed in block capitals.
8. While ComReg makes every effort to accommodate each applicant's requirements, it should be appreciated that this may not be possible in all cases.
9. The annual licence fee for all new FWALA applications is €2800.
10. Where an existing licensee is licensed for part of a FWALA channel, it may submit and amendment to ComReg for additional channel bandwidth. The fee for this amendment is based upon the following table.

Licensed Bandwidth	Licence Fee (€)
Up to 7MHz	1500
Over 7MHz and up to 14MHz	2000
Over 14MHz and up to 28MHz	2800

Section 4: Declaration Form – Fixed Wireless Access Local Area

I have read the Revised Guidelines to Applicants for FWALA Licences, ComReg Document 06/17 and the guidance notes associated with each question in the application form.

I accept that ComReg may publish information relating to licensed radio systems and that certain information relating to any licence issued pursuant to this application may be contained in any such publication.

I agree to comply fully with all the terms and conditions of the licence, if granted, in accordance with the Wireless Telegraphy (Fixed Wireless Access Local Area Licence) Regulations, 2003.

I agree to comply with the Field Strength Limits as detailed in the Revised Guidelines to Applicants (06)17 and which will be condition of the licence, if granted.

I certify that all equipment to be used under this FWALA licence, if granted, will be R&TTE compliant

ComReg will endeavour to minimise the potential for interference. I accept that ComReg will not be liable for any interference received and that I will comply with whatever ComReg requests in preventing interference being caused by this system to other licensed users of the radio spectrum.

I accept that a licence does not confer any right of ownership of the frequency spectrum. It allows the assigned frequency channel to be used during the term of the licence in accordance with the conditions of the licence.

I certify that all information provided on this form, including all documentation attached, is true and accurate.
