1. On 9 January 2014, following the assessment of the application received from Eircom Limited ("Eircom"), the Commission for Communications Regulation ("ComReg") published ComReg Decision D01/14 *"Assessment of Eircom's Universal Service Fund Application for 2009-2010– Response to Consultation and Determination"*¹.
2. ComReg Decision D01/14 determined that for the year 2009-2010 there was a positive net cost of €5.1m in respect of Eircom's provision of the Universal Service Obligation and that this positive net cost does not represent an unfair burden on Eircom.
3. On 6 February 2014, Eircom Limited appealed to the High Court against ComReg Decision D01/14. ComReg will fully defend the proceedings brought by Eircom Limited.
